Vision: To see the world transformed by Jesus Christ through the influence of coaches and athletes.

FCA 2018

IMPACT REPORT

In 2018, we launched *Fulfilling the Vision*, an initiative clarifying FCA's vision, mission, strategies and methods. We are dedicated to leading every coach and athlete into a growing relationship with Jesus Christ and His church. By engaging coaches and athletes relationally with the Gospel, equipping them through God's Word and empowering them to make disciples of Christ, we can see the world transformed by Jesus Christ through their influence.

True to this year's STRONG theme, FCA had the privilege of coming alongside coaches and athletes to equip, serve, and strengthen their faith in God to live wholeheartedly for Him.

In unfathomable ways only He can, God continues to take His ministry to new heights and greater depths. Thousands of coaches and athletes, and all whom they influence, are being transformed by Jesus Christ.

The ministry of FCA is fueled by those who selflessly give their time, talent and treasure to present the gospel and impact countless lives of coaches and athletes as we unite together in seeking to fulfill the vision for current and future generations.

We invite you to join our FCA Home Team - pray, serve and give!

The impact report shows where we've been! On the back, our strategic plans shows where we are going!

LOCAL IMPACT

"Hands down this was the best "event" in the 4-year history of our team. It's so amazing to hear the training and challenges you gave them to pray, serve and build. Can't wait to hear what God does through team FCA."

"Every speaker spoke TRUTH about the spiritual battle we are facing. Sometimes I think adults feel a need to leave out those types of details with younger kids, but these kids are facing HARD things and they need to be taught how to fight."

"I love it how people here don't care how you look but they love to inspire people to learn about the Lord and give happiness to everybody. My Huddle leaders played the role of a brother. They helped me when I felt sad. They inspired me to go 100% and that God loves me."

2018-2019 Buckeye Border FCA Strategic Plan

The 2018-2019 school year kicked off with an incredibly positive start! What's in store for the rest of the year Our desire is to sharpen and deepen existing FCA Huddles, Team ministries, events, and hire two part-time staff. We have a strategic plan for this year, a plan to see more lives transformed by Jesus Christ!

Strategic Plan Financial Outline

Event	Financial Cost	Amount Raised	Amount Needed	Impact Number
School Assemblies (6)	\$4,500	\$1,500	\$3,000	2,500
Coaches Clinic (2)	\$5,000	\$2,000	\$3,000	200
Leadership Development/Camp	\$6,000	\$4,000	\$2,000	150
Bibles For Students	\$11,500	\$5,500	\$6,000	2,500
Two Part Time Staff	\$20,000	\$0	\$20,000	2 Counties
Totals	\$47,000	\$13,000	\$34,000	5,350+

This strategic plan has the potential of reaching thousands! That's the direct number. That is not including those who are indirectly impacted, nor the seeds that will be planted. Reaching one coach indirectly impacts a team!

This past fall I was called to a school after an unfortunate suicide of a middle school student. I was given the opportunity to minister to the staff and students. I spent 45 minutes in the first period classroom of the young boy who took his life. His empty chair was heart-breaking. A moment that directly impacted a school as well as 13 teams who I ministered to this fall! Recently I visited a new FCA Huddle and the local youth pastor shared with me story after story of kids and their broken homes. FCA isn't just about helping athletes, it's helping students from all backgrounds to find hope in a new life through Jesus Christ!

We are thankful for the many Home Team Supporters who already give to this ministry, but we need more people, churches, and businesses to join our Team! I want to invite you to invest in the ministry of FCA and more importantly God's great plan for NW Ohio and Southern Michigan. I invite you to invest with prayer and a one-time/year end gift. The stadium below represents empty seats in the funding of our 2018-19 Strategic Plan.

Would you consider filling a seat? Would you consider investing in the ministry of FCA as we passionately hand out God's Word and share the Gospel? Will you assist us as we engage, equip, and empower coaches and athletes?

We need you to prayerfully consider helping us meet our strategic plan goals. Enclosed is a form that you can return with a gift to FCA. Please look it over, pray, and return the form with a check.

We thank you for investing through prayer and giving to help us see the world transformed by Jesus Christ through the impact of this ministry.
